Afterward, we stopped into the Frieze Week celebration of galleries Albertz Benda and Friedman Benda, hosted at their Marmont Lane space. Amid two stories of spectacular art and design, partygoers like Linda Marigliano, Felipe Pantone, Chris Wolston, Miki Rose, Taylor Mckimens, Humberto Campana, Devon DeJardin, and Michael Ashton gathered over beverages from Honey Bubbles, Aplos, and Yola Mezcal, taking in the inspired setting and dancing to tunes by DJ Jason Stewart.
